Schools' Gold Club
2015

Date: 03 September 2015

Dear Mrs Pryor

Invitation to Join the London Schools' Gold Club 2015

I would like to offer my congratulations to your school on its exceptional performance last year. I am delighted to be able to invite your school to join my Gold Club scheme so that this achievement can be publicly recognised. By joining the scheme, your school will be acknowledged at the leading edge of challenging low aspiration and under achievement.

We have a common goal and that is for all London's children to succeed. It is because of this ambition that I would also ask that you join and share your good practice with other schools so that they may learn from your success and improve their pupils' life chances, particularly for the disadvantaged pupils.

If you accept my invitation to join and share best practice with others, the Gold Club will publicise your school's excellent achievement through our web portal, media coverage, my Annual London Education Report and at my Education Conference.

I enclose an information sheet giving you more details on your eligibility, how to respond to this invitation, details of the autumn Award Ceremony taking place on 25 September to celebrate the success of London's Gold Club Schools and of my third Education Conference.

I look forward to welcoming you to the Gold Club. Thank you for all you do for the children in your school and for your support for all London's children.

Yours sincerely

Boris Johnson
Mayor of London
