INTRODUCTION

We are very excited to launch FAB Week 2026! The theme for the year 7 activities is “New Faces, New Places.” One of the aims is to give year 7s the opportunity to meet a wider number of people in their year group. This links to our school value “Diverse”

Inside this booklet you will find the brief outline of all the activities on offer to year 7 for this year’s FAB days. Read each trip carefully to find out what the 2 days will involve, the cost of the trips and any specific trip requirements.

You can then decide which trip you wish to go on.

When applying, we ask you to indicate your top 3 in order of preference. Note: It is not possible to give everyone their first choice. We do our best and last year the majority of students did get their first choice.

*“Memories that
will last a
lifetime.”*

**Read all activity information carefully before
selecting your choices.**

All timings are approximate and subject to change.
