Appeals relating to internal assessment decisions (centre assessed marks)

Certain qualifications contain components/units of non-examination assessment controlled assessment and/or coursework which are internally assessed (marked) by Swakeleys School for Girls and internally standardised. The marks awarded (the internal assessment decisions) which contribute to the final grade of the qualification are then submitted by the deadline set by the awarding body for external moderation. The qualifications delivered at Swakeleys School for Girls containing internally assessed components/units are: BTEC Health & Social Care, NCFE L2 Childcare, GCSE Food, GCSE/GCE Art and Photography, GCSE Dance and Drama, GCSE English, GCSE Geography, GCSE History, Extended Project.

This procedure confirms Swakeleys School for Girls compliance with JCQ's General Regulations for Approved Centres (section 5.7) that the centre will:

- have in place for inspection that must be reviewed and updated manually, a written internal appeals procedure relating to internal assessment decisions and to ensure that details of this procedure are communicated, made widely available and accessible to all candidates
- before submitting marks to the awarding body, inform candidates of their centre assessed marks and allow a candidate to request a review of the centre's marking

Swakeleys School for Girls is committed to ensuring that whenever its staff mark candidates' work this is done fairly, consistently and in accordance with the awarding body's specification and associated subject-specific documents.

Swakeleys School for Girls ensures that all centre staff follow a robust policy regarding the management of non-examination assessments including controlled assessments and coursework. This policy details the procedures relating to non-examination assessments for BTEC Health & Social Care, BTEC Childcare, NCFE L2 Childcare, GCSE Food, GCSE/GCE Art and Photography, GCSE Dance & Drama, GCSE English, GCSE Geography, GCSE History, Extended Project.

Candidates' work will be marked by staff who have appropriate knowledge, understanding and skills, who have been trained in this activity who and do not have any potential conflicts of interest. We do not use AI tools to assist in the marking of candidates' work. Swakeleys School for Girls is committed to ensuring that work produced by candidates is authenticated in line with the requirements of the awarding body. Where more than one subject teacher is involved in marking candidates' work, internal moderation and standardisation will ensure consistent marking.

On being informed of their centre assessed marks, if a candidate believes that the above procedures were not followed in relation to the marking of their work, or that the assessor has not properly applied the marking standards to the marking, then the candidate may make use of the appeals procedure below to consider whether to request a review of the centre's marking.

Swakeleys School for Girls will:

- ensure that candidates are informed of their centre assessed marks so that they can request a review of the centre's marking before final marks are submitted to the awarding body

- inform candidates that they will need to explain on what grounds they c request a review of an internally assessed mark as a review will only focus on the quality

- inform candidates that they may request copies of materials (as a minimum, a copy of the marked assessment material (work) and the mark scheme or assessment criteria plus additional materials which may vary from subject to subject) to help them decide whether to request a review of the centre's marking of the assessment

- having received for materials, promptly make them available to the candidate within 7-10 working days. (This will either be the originals viewed under supervision or copies.)

- inform candidates they will not be allowed access to original assessment material including artefacts, unless supervised

- provide candidates with sufficient time, normally at least 5 working days, to allow them to review copies of materials and reach a decision, informing candidates that if their decision.

- provide a clear deadline for candidates to submit a request for a review of the centre's marking. Requests will not be accepted after this deadline. Requests must be made in writing within 7-10 working days of receiving copies of the requested materials by completing the internal appeals form and candidates must explain on what grounds they wish to request a review.

- allow 8 - 10 working days for the review to be carried out, to make any necessary changes to marks and to inform the candidate of the outcome, all before the awarding body's deadline for the submission of marks

- ensure that the review of marking is conducted by an assessor who has appropriate competence, has had no previous involvement in the assessment of that candidate for the component in question and has no personal interest in the outcome of the review

- instruct the reviewer to ensure that the candidate's mark is consistent with the standard set by the centre

- inform the candidate in writing of the outcome of the review of the centre's marking

The outcome of the review of the centre's marking will be made known to the head of centre who will have the final decision if there is any disagreement on the mark to be submitted to the awarding body. A written record of the review will be kept and made available to the awarding body upon request.

The awarding body will be informed if the centre does not accept the outcome of a review.

The moderation process carried out by the awarding body may result in a mark change, either upwards or downwards, even after an internal review. The internal review process is in place to ensure consistency of marking within the centre, whereas moderation by the awarding body ensures that centre's marking is in line with national standards. The mark submitted to the awarding body is subject to change and should, therefore, be considered provisional.

Appeals against decisions to reject a candidates' work on the grounds of malpractice

The JCQ information for candidates documents (Coursework, Non-examination assessments, Social Media) which are distributed to all candidates prior to relevant assessments taking place **(**and prior to a candidate signing the declaration of authentication which relates to their work), inform the candidates of the things they must and must not do when they are completing their work.

Swakeleys School for Girls ensures that staff delivering/assessing coursework, internal assessments and/or non-examination assessments are aware of centre procedures relating to the authentication of learner work and have robust processes in place for identifying and reporting plagiarism (including AI misuse) and other potential candidate malpractice. All staff have also attended AI staff training to ensure awareness of possible tools that students may use and things to look out for.

Candidate malpractice offences relating to the content of work (i.e. inappropriate/offensive content, copying/ collusion, plagiarism (including AI misuse) and/or false declaration of authentication) which are discovered in a controlled assessment, coursework or non-examination assessment component prior to the candidate signing the declaration of authentication do not need to be reported to the awarding body. Instead they must be dealt with in accordance with the centre's internal procedures

Swakeleys School for Girls ensures that those members of the teaching staff involved in the direct supervision of candidates producing work for assessments are aware of the potential for malpractice.

Malpractice by a candidate discovered in a controlled assessment, coursework or non-examination assessment component prior to the candidate signing the declaration of authentication does not need to be reported to the awarding body but will be dealt with in accordance with the centre's internal procedures.

If there are doubts about the authenticity of the work of a candidate or irregularities are identified in candidate's work before the candidate has signed the declaration of authentication/authentication statement (where required) and Malpractice is suspected, Swakeleys School for Girls will follow the authentication procedures and/or malpractice instructions in the relevant JCQ document ICE and ICC and any supplementary guidance that may be provided by the awarding body. Where this may lead to the decision to **not** accept the candidate's work for assessment or to reject a candidate's coursework on the grounds of malpractice, the affected candidate will be informed of the decision.

If a candidate who is the subject of the decision disagrees with the decision:

- a written request, setting out as clearly and concisely as possible the grounds for the appeal including any further evidence relevant to supporting the appeal, should be submitted within 5 working days

- an internal appeals form should be completed and submitted within 3 working days of the decision being made know to the appellant

The appellant will be informed of the outcome of the appeal within 5 working days of the appeal being received and logged by the centre.

Appeals relating to centre decisions not to support an application for clerical re-check, a review of marking, a review of moderation or an appeal

This procedure confirms Swakeleys School for Girls compliance with JCQ's **General Regulations for Approved Centres** (section 5.13) that the centre will:

- have available for inspection purposes and draw to the attention of candidates and their parents/carers, a written internal appeals procedure to manage disputes when a candidate disagrees with a centre decision not to support an application for a clerical re-check, a review of marking, a review of moderation or an appeal

Following the issue of results, awarding bodies make post-results services available. Full details of these services, internal deadlines for requesting a service and fees charged are provided by the exams officer via google classroom, year group assemblies and our website.

Candidates are also made aware of the arrangements for post-results services prior to the issue of results via assembly and an email home to parent/carers. Candidates are informed of the periods during which senior members of centre staff will be available immediately after the publication of results so that results may be discussed, and decisions made on the submission of reviews of marking. Candidates are made aware/informed by the form of a booklet which is posted on google classroom for all examination candidates, assembly and emails home to parents.

If the centre or a candidate (or their parent/carer) has a concern and believes a result may not be accurate, post-results services may be considered.

The JCQ post-results services currently available are detailed below:

Reviews of Results (RoRs):

- Service 1 (Clerical re-check)
  This is the only service that can be requested for objective tests (multiple choice tests)
- Service 2 (Review of marking)
  Priority Service 2 (Review of marking)
  This service is available for externally assessed components of both unitises and linear GCE A-level specifications. It is also available for L3 Vocational and Tech Awards.
- Service 3 (Review of moderation)
  This service is not available upon the work of an individual candidates not in the sample.

Access to Scripts (ATS):

- Copies of scripts to support reviews of marking
- Copies of scripts to support teaching and learning

Where a concern is expressed that a particular result may not be accurate, the centre will look at the marks awarded for each component part of the qualification alongside any mark schemes, relevant result reports, grade boundary information etc. when made available by the awarding body to determine if the centre supports any concerns.

For written components that contributed to the final result, the centre will:

1. Where a place, a university or college is at risk, consider supporting a request for a Priority Service 2 review of marking where the qualification concerned is eligible for the service
2. In all other instances, consider accessing the script by:
   a) (where the service is made available by the awarding body) requesting a priority copy of the candidate's script to support a review of marking by the awarding body deadline, or
   b) (where the option is made available by the awarding body) viewing the candidate's marked script online to consider if requesting a review of marking is appropriate
3. Collect informed written consent/permission from the candidate to access their script
4. On access to the script, consider if it is felt that the agreed mark scheme has been applied correctly in the original marking and if the centre considers there are any errors in the marking
5. Support a request for the appropriate RoR service (clerical re-check or review of marking) if any error is identified
6. Collect informed written consent from the candidate to request the RoR service before the request is submitted
7. Where relevant, advise an affected candidate to inform any third party (such as a university or college) that a review of marking has been submitted to an awarding body

Written candidate consent (informed consent via candidate email is acceptable) is required in all cases before a request for a RoR service 1 or 2 (including priority service 2) is submitted to the awarding body. Consent is required to confirm the candidate understands that the final subject grade and/or mark awarded following a clerical re-check or a review of marking, and any subsequent appeal, may be lower than, higher than, or the same as the result which was originally awarded. Candidate consent must only be collected after the publication of results.

For any moderated components that contributed to the final result, the centre will:

- Confirm that a review of moderation cannot be undertaken on the work of an individual candidate or the work of candidates not in the original sample submitted for moderation
- Consult any moderator's report/feedback to identify any issues raised
- Determine if the centre's internally assessed marks have been accepted without change by the awarding body – if this is the case, a RoR service 3 (Review of moderation) will not be available
- Determine if there are any grounds to submit a request for a review of moderation for the work of all candidates in the original sample

Centre actions in the event of a disagreement (dispute)

Where a candidate disagrees with a centre decision not to support a clerical re-check, a review of marking or a review of moderation, the centre will:

- For a review of marking (RoR priority service 2), advise the candidate they may request the review by providing informed written consent (and the required fee) for this service to the centre by the deadline set by the centre
- For a review of marking (RoR service 1 or 2), first advise the candidate to access a copy of their script to support a review of marking by providing written permission for the centre to access the script (and any required administration fee for this service) for the centre to submit this request
- After accessing the script to consider the marking, inform the candidate that if a request for a review of marking (RoR service 1 or 2) is required, this must be submitted by the deadline set by the centre by providing informed written consent (and the required fee for this service) for the centre to submit this request
- Inform the candidate that a review of moderation (RoR service 3) cannot be requested for the work of an individual candidate or the work of a candidate not in the original sample

If the candidate (or their parent/carer) believes there are grounds to appeal against the centre's decision not to support a review of results, an internal appeal can be submitted to the centre by completing the **internal appeals form** at least 14 working days prior to the internal deadline for submitting a request for a review of results.

The appellant will be informed of the outcome of the appeal, before the internal deadline for submitting a RoR.

Following the RoR outcome, an external appeals process is available if the head of centre remains dissatisfied with the outcome and believes there are grounds for appeal. The JCQ publications **Post-Results Services** and **JCQ Documents** (A guide to the awarding bodies' appeals processes) will be consulted to determine the acceptable grounds for a preliminary appeal.

Where the head of centre is satisfied after receiving the RoR outcome, but the candidate (or their parent/carer) believes there are grounds for a preliminary appeal to the awarding body, a further internal appeal may be made to the head of centre. Following this, the head of centre's decision as to whether to proceed with a preliminary appeal will be based upon the acceptable grounds as detailed in the **JCQ Documents**. Candidates or parents/carers are not permitted to make direct representations to an awarding body.

The **internal appeals form** should be completed and submitted to the centre within 7 calendar days of the notification of the outcome of the RoR. Subject to the head of centre's decision, this will allow the centre to process the preliminary appeal and submit to the awarding body within the required **30 calendar days** of the awarding body issuing the outcome of the review of results process. Awarding body fees which may be charged for the preliminary appeal must be paid to the centre by the appellant before the preliminary appeal is submitted to the awarding body (fees are available from the exams officer). If the appeal is upheld by the awarding body, this fee will be refunded by the awarding body and repaid to the appellant by the centre.

Centre decisions relating to access arrangements, reasonable adjustments and special consideration

This may include Swakeleys School for Girls decision not to make/apply for a specific reasonable adjustment or to apply for special consideration, in circumstances where a candidate does not meet the criteria for, or there is no evidence/insufficient evidence to support the implementation of an access arrangement/reasonable adjustment or the application of special consideration.

Where Swakeleys School for Girls makes a decision in relation to the access arrangement(s), reasonable adjustment(s) or special consideration that apply for a candidate or candidates:

- If a candidate who is the subject of the relevant decision (or the candidate's parent/carer) disagrees with the decision made and reasonably believes that the centre has not complied with its responsibilities or followed due procedures, a written request setting out the grounds for appeal should be submitted
- An **internal appeals form** should be completed and submitted within 7 calendar/working days of the decision being made known to the appellant.

To determine the outcome of the appeal, the head of centre will consult the respective JCQ publication to confirm the centre has complied with the principles and regulations governing access arrangements and/or special consideration and followed due procedures.

If the appeal is upheld, Swakeleys School for Girls will proceed to implement the necessary arrangements/submit the necessary application.
