

TRANSITION

Welcome to Swakeleys School For Girls...

Join us on a tour of the school...

Our main entrance is on Clifton Gardens.

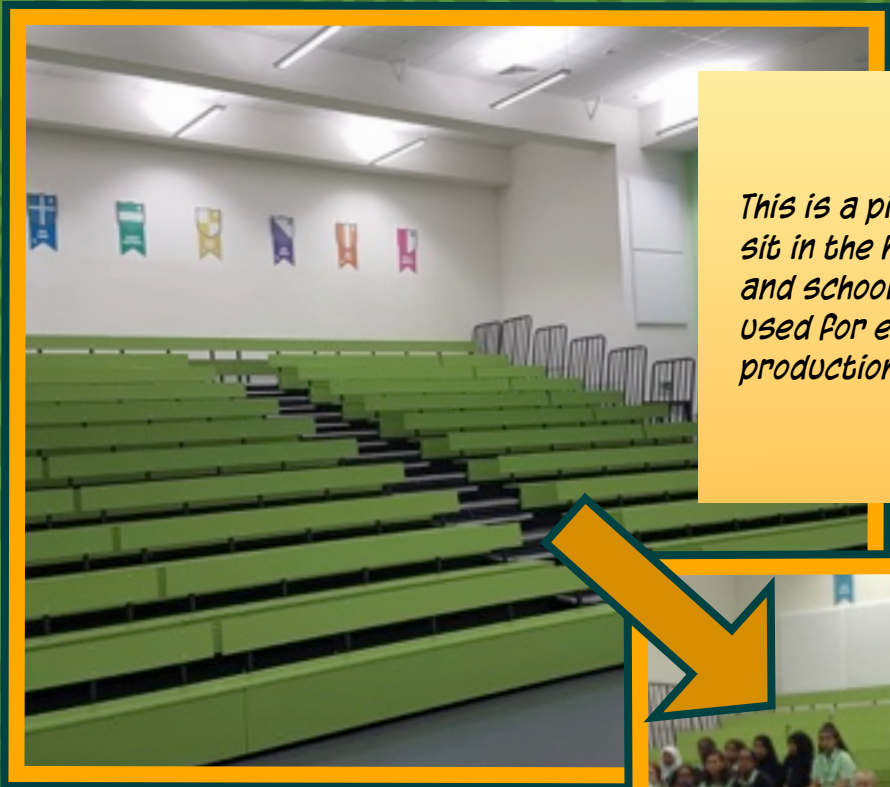

Main entrance for pupils

After a short walk you will approach the main entrance. Pupils use the large doors on the right to enter the building.

You will learn the rules about which stairs you can use...

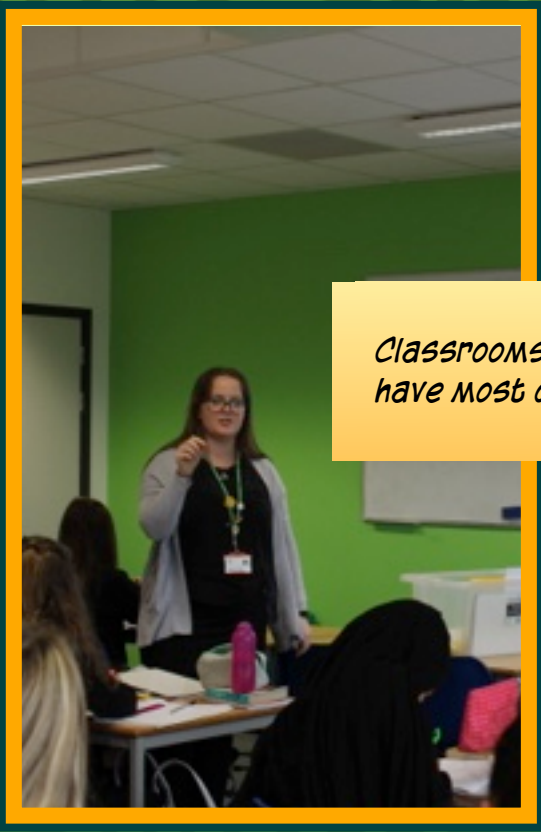

This is the main staircase just inside the doors.

This is a picture of our hall. We sit in the hall for assemblies and school council. It is also used for events like school productions.

Classrooms at Swakeleys look like this....you will have most of your lessons in a room like this one...

When you walk down corridors you must keep left and walk in single file.

This is the canteen where you can buy hot and cold lunches.

You can buy lunch at school or bring a packed lunch. Packed lunches are eaten in the hall or picnic area.

When you have paid you will be allocated a locker and given a padlock. Lockers are situated all around the building.

There are toilets on each floor of the school.
