

Headteacher: Mrs Sue Pryor MA NPQH

December 2020

Dear Parent/Carer,

6TH FORM PSHCE PROGRAMME

PSHCE is studied by 6th form students on a fortnightly basis to develop the knowledge, skills and attributes they need to manage their lives, now and in the future. These skills and attributes help students to stay healthy, safe and prepare them for life and work in modern Britain.

Each Year 13 student also has two opportunities to experience our 'survival cooking' programme, where they learn to cook cheap and nutritious meals, with all ingredients provided free of charge.

The programme for the Spring Term is outlined below.

	Year 12	Year 13
Thursday 28 th January	Sexual health and support services	Student Finance
Thursday 11 th February	Healthy Relationships	Gap years
Thursday 4 th March	Work experience	Preparing for university and living away from home
Thursday 18 th March	Online Safety	Revision

Please do not hesitate to contact me if you require any further information.

Yours sincerely,

A. Bremner
