From the Headteacher's Desk

For the second year running, exams were cancelled, but this year we were able to collect more assessment evidence and submit Teacher Assessed Grades for YII-I3. We put in place a rigorous process to ensure that this was done properly and was fair to all of our students. I am pleased to say that we finally ended up with another summer of excellent examination results which students and staff can be justifiably proud of.

We have also had a very good start to the new term with students and staff adapting well to the changes we have made in our routines now that we do not have to adhere to strict social distancing, bubbles etc. We continue to adopt a cautious approach and are encouraging students to continue to sanitise and maintain good hygiene.

Over the summer, 90 of our new Y7 pupils came in to school to enjoy a one week summer school. They had a great time studying maths, science, English, PE and art and they learnt about the house system and so much more. I am delighted to say that Y7 have settled in really well and have impressed us by their politeness and their positive attitude to school.

In terms of exam results, 86% of our year 11 cohort achieved grade 4 or above in both English and maths and more than 41% of the pupils achieved more than five 9-7 grades. 40% secured the prestigious English Baccalaureate qualification which requires them to achieve passes in English, Maths, Science/Computer Science, a Modern Foreign Language and History or Geography. At A Level, we achieved 100% A*/E grades, 90% A*/C and 75% A*/B grades. Five students achieved places at Oxford/Cambridge with many others securing places at prestigious universities such as the London School of Economics and University College London.

We were really pleased to be able to hold our Open Evening this year to show case our school. Feedback from prospective parents and pupils was extremely positive and we have over 600 applications for Y7 next year. Once we have 240 pupils in our next year 7 the school will have expanded to our capacity of 1200 in the main school. This year, our NVR assessment day is on Saturday 9th October.

It has been exciting to relaunch clubs and our house system after two years of disruption. We are celebrating 10 years of our house system and each house now has their very own mascot which created a great deal of excitement in the first house assemblies of term. Please do encourage your daughter to take part in clubs/activities/house events.

Sue Pryor Headteacher

The House System

It is the 10 year anniversary of the House System this year and we have launched this in House Assemblies with the introduction of 'Mascot Mayhem!'

Every House has their very own mascot that will feature throughout the year in a range of events. Along with House Assemblies, the mascots also made an appearance at our Staff House Badminton Tournament! A wide range of events for staff and pupils will take place throughout the year, all of which will contribute to the points for each House.

Attendance

We are delighted that our attendance is holding up well. Please do not be concerned if your child needs to self-isolate due to a positive test. They can access google classroom to complete work and their individual attendance record will not be affected.

As we enter flu season you may also find the following symptom guidance useful. If your child is exhibiting symptoms of Covid-19, please keep them at home and book a PCR test. Please ensure that you keep the school informed at every stage.

Covid-19 Fever New continuous dry cough Loss of taste/smell	Flu Fever Dry cough Runny nose Headache Sore throat Muscle and joint pain
Cold Cough Sore throat Aches and pains Watery eyes Sneezing Runny or stuffy nose	Allergies Sneezing Coughing Itchy eyes Runny or stuffy nose.

Success in private music exams

It is wonderful to see pupils passing private music exams at such high levels, especially considering the disruption to music lessons over the last eighteen months. Please do come and see me and let me know if you have recently passed a private music exam. I would love to congratulate you and hear your performance! Congratulations to the following achievements in private music exams in the Summer Term.

Victoria Safi - Grade 5 Piano

Jaspreet Kaur - Grade 5 Piano

Tarunika Karthikeyan - Grade 3 Drums

Uma Daurka- Grade 5 Singing

MACMILLAN CANCER SUPPORT

Year 6 **Summer School**

Governor Vacancy

We currently have a vacancy on our Governing Body for a Parent Governor. Our school Governing Body is made up of Governors who come to us through a variety of routes and with a range of different backgrounds, skills and experiences, but they are all volunteers who work together for the benefit of the school and are the link between the school and the community it serves.

We would be interested to hear from anyone who has parental responsibility for a child at the school who has an interest in supporting the school vision and ensuring that the school works effectively to achieve that vision. If you are interested or wish to nominate someone, please email the Clerk to the Governing Body, Mrs S Seabrook at sseabrook@swakeleys.org.uk
