

Year 7 Strike Day Programme

To be followed on ALL planned strike days

Please check on each Google Classroom stream to see if there is any information from each of your subject teachers as follows:

- 1) Please check at the start of every lesson on your timetable to see if your teacher is running a lesson online via Google Meet – if they are, that is what you do.
- 2) If a lesson is not being run on Google Meet, please next check to see if any of your teachers have set work for you to do. If they have, please complete that. If you finish early look at the activities below:
- 3) If none of the above are in place, the following activities listed below cover a 5 hour school day and can be completed in any order. Use any time left over on activities below – there are 6 activities so you can choose which ones you complete in the time you have left. We have set 5 of these activities so that they can be done even if you do not have internet access.
 - One hour reading a book of your choice
 - 30 minutes to one hour doing some form of physical activity – try a Joe Wicks session if you have internet access!
 - One hour to write a letter to family member or friend
 - One hour to watch a documentary/educational programme on a topic of your choice
 - One hour on Hegarty maths
 - Look back to the start of Year 7 for one of your subjects and write revision notes on what you have covered

Year 8 Strike Day Programme

To be followed on strike day 1: Wed 1st February.

Please check on each Google Classroom stream to see if there is any information from each of your subject teachers as follows:

- 1) Please check at the start of every lesson on your timetable to see if your teacher is running a lesson online via Google Meet – if they are, that is what you do.
- 2) If a lesson is not being run on Google Meet, please next check to see if any of your teachers have set work for you to do. If they have, please complete that. If you finish early look at the activities below:
- 3) If none of the above are in place, the following activity below covers a 5 hour school day.
 - Revise for Year 8 exams which take place the week commencing 20th February (straight after half term).
 - You have all been given an A4 exercise book which you can divide up and use as a starting point to make revision notes.
 - Here are some key tips for good revision notes:

What makes good revision notes?

Clear and easy to read

Handwriting, bullet points, mind maps, double page spread approach..

Bright and colourful

Different coloured biros, highlighters, shade diagrams...

Detailed and full of useful information

Use key words, facts, figures and case study examples...

Well drawn diagrams

Use a ruler, colouring pencils, title and label all diagrams...

- Revision needs to be active – don't just copy information. Make sure you test yourself.

To be followed on the other 3 strike days: 2nd March, 15th March and 16th March

Please check on each Google Classroom stream to see if there is any information from each of your subject teachers as follows:

- 1) Please check at the start of every lesson on your timetable to see if your teacher is running a lesson online via Google Meet – if they are, that is what you do.

- 2) If a lesson is not being run on Google Meet, please next check to see if any of your teachers have set work for you to do. If they have, please complete that. If you finish early look at the activities below:

- 3) If none of the above are in place, the following activities listed below cover a 5 hour school day and can be completed in any order. Use any time left over on activities below – you can choose which ones you complete in the time you have left. We have set four of these activities which can be done even if you do not have internet access.
 - One hour reading a book of your choice
 - 30 minutes to one hour doing some form of physical activity – try a Joe Wicks session if you have internet access!
 - One hour to write a letter to family member or friend
 - One hour to watch a documentary/educational programme on a topic of your choice
 - One hour on Hegarty maths
