

Dear parents/carers

Please find attached a pack of revision materials for your daughter to use in preparation for her GCSE English Language and Literature exams.

The grid sheets are designed so that her revision is broken down into short, focused sessions, which will hopefully help your daughter to target her revision over a longer period of time. The activities can be mixed and matched and do not need to be completed in the order they are presented.

Your daughter should use her notes and revision materials that she has created in class, as well as the materials attached, to help her complete the activities. Ticking off the boxes or colouring them in once completed will help your daughter to keep track of her revision and increase motivation.

In addition, more revision materials are available on the English Revision Google Classrooms, so please ensure that your daughter has signed herself onto them.

The code to access the English Language Google Classroom is **lqyizgx**.

The code to access the English Literature Google Classroom is **hmeqhdr**.

Additional past papers and mark schemes are also available on the [Pearson Edexcel website](#), should your daughter wish to access them.

The units your daughter is studying are outlined below:

GCSE English Language:

Paper 1 – Unseen 19th Century Fiction (4 reading questions) and Imaginative Writing (1 writing question)

Paper 2 – Unseen 20th/21st Century Non-fiction (8 reading questions) and Transactional Writing (1 writing question)
