

Train to teach with **TEACH WEST LONDON**

Are you ready to make a positive difference in the lives of children?

Have you considered teaching?

**A career that matters.
Impact that lasts.**

•**A lasting impact:** Embarking on the journey to become a teacher is a decision that can change not only your life, but the lives of countless children.

•**Variety:** Each day brings you new challenges and rewards, supporting personal and professional growth.

•**Community:** Join a thriving network of teachers across West London, with the chance to collaborate across professional learning communities, and access guidance and shared resources.

•**A career path:** Continue working with an age group or subject you love whilst gaining internationally recognised teaching qualifications. Earn a competitive salary, with excellent job security, holidays and wider benefits. You'll have opportunities for professional development in a range of areas, with clear pathways for career progression.

•**Purpose:** A rewarding career with an unrivalled sense of job satisfaction and fulfilment, enabling you to have a crucial role in shaping the future of society. Every moment in teaching holds a world of potential.

•**People:** You'll witness first-hand, the transformative power of education, as you help to guide students and set them on a path to discovery. It's a chance to ignite curiosity, instil a love of learning, and nurture the potential that lies within every student.

Why should you begin your teaching journey with

Who can apply?

Teaching isn't a one-size fits all career – all sorts of people can become great teachers.

Whether you are an undergraduate, recent graduate, teaching assistant, or career changer, we are looking to recruit talented people who have the potential to become excellent teachers and are committed to making a lasting difference to the lives of young people.

At Teach West London, our high-quality, school-based initial teacher training (ITT) programme makes a real difference to the lives of children.

We provide the opportunity for you to become a qualified teacher and future school leader, learning from expert practitioners from one of the highest performing Multi-Academy Trusts in the country.

•**Primary or Secondary?** Teach West London offers high-quality fully immersive school-centred initial teacher training programmes for both primary and secondary school phases.

•**Course?** Teach West London offers both unsalaried and selected salaried programmes (tax free bursary & scholarships available for some secondary subjects) as well as QTS only and QTS+PGCE courses.

•**Choose where you teach.** Unlike many other routes into teaching, by choosing to train with Teach West London you'll be able to make an informed choice about the school or area you want to learn and work in.

•**In-school training with expert practitioners from day one.** We work closely with our placement schools to make sure our trainee teachers are in school and in the classroom from the start of the academic year. Training directly in a school allows you to really get to know your students across the course of a full year: to witness the daily triumphs, the “aha” moments, and the joy of seeing students grow academically, emotionally, and personally.

•**We are committed to professional learning and development.** Our bespoke support is vital in ensuring that our trainee teachers have a successful training year. As a trainee teacher, you will be supported throughout every step of your journey to becoming a qualified teacher. Once you've completed your initial training, there is high potential for career advancement – across a high concentration of partner schools in London.

•**Based in vibrant West London.** Training to teach in a school in West London can be a uniquely rewarding experience. You'll have the opportunity to teach in a diverse and enriching area, working with other talented and driven teachers, and with access to an abundance of quality professional development opportunities and events.
