Vews

Dear Families,

It has been a fantastic start to the academic year – the students have been excellent in terms of their attendance, focus and attitude. Thank you at home for all of your support. The newsletter gives you an overview of some of the many events that have taken place over the last six weeks. I do hope that this information alongside the video messages that are being sent to you gives you a good sense of what's happening across school and the many opportunities that your child has to shine at Swakeleys.

At the parent event I shared some of our key improvement targets this academic year as a school and that the key thread running through this was to further develop student voice. To this end we have had pupil focus groups running over the last week and I look forward to sharing the findings with you.

Following each parents evening last year we asked for your feedback. One of the questions we asked was whether parents evenings should remain online or return to being in person. The feedback was exactly 50:50 and so after long discussions in school we have decided that in order to ensure the highest possible attendance and also ensure parents evenings run efficiently we are going to retain virtual meetings. However we will move to a new IT platform which has specifically been designed for the purpose of parents evenings. This is called School Cloud and further information will come to you in due course. One of the many benefits of School Cloud is that more than one member of a family can attend an appointment from two different locations – one person could be at home and

one could be at work. As always following parents evening we will seek your views. Thank you for your support with this new initiative.

Part of further developing relationships with students involves meeting with them on a one to one basis and that took place today Friday 20<sup>th</sup> October. It is my belief that quality relationships underpin success in any school so Friday will support the continued success of our school community. After the form tutor 1:1 day it is the half term break. I hope that you and your family have an enjoyable rest over the half term and we look forward to welcoming your child back on Wednesday I<sup>st</sup> November.

Yours faithfully

# Attendance

We are delighted that attendance is improving and thank parents/carers for your support. Every day of learning is important and we want to see your child as much as possible.

Pupils whose attendance drops below 95% can expect some intervention. This can include mentoring, a letter, a meeting with the school or a referral to our Education Welfare Officer. Please do encourage pupils to come in to school unless they are very ill.

Please note the e-mail address for the attendance team which is <u>attendance@swakeleys.org.uk</u>. We would ask that you notify us of any requests for absence in advance so that we have time to process your request. Please ensure that requests for pupils to leave during the school day for urgent medical appointments include details of the time they need to leave, and whether they can leave alone or are being collected, as well as the reason.

Please submit any medical evidence for absence via this e mail address or alternatively it can be handed in at the office for the attention of the attendance officer.

Please do not request time off for holidays or extended family visits as this cannot be authorised. Thank you for your support.

## Uniform

A reminder that blazers are compulsory school items and must be worn, along with the lanyard. Pupils can remove a blazer in class with teacher permission. Please do ensure that your child has the correct skirt/trousers. We currently have an issue with some pupils wearing bracelets to school. Please note that bracelets that contravene our uniform policy will be confiscate so please ensure your child does not wear these.

A reminder that smart watches with connectivity are not allowed in school. Mobile phones must be placed in a locked locker during the school day.

# Travelling to School by Car

Please could we remind all parents once again when driving onto the school site to be mindful of other road users, local residents and pedestrians. We have received complaints of people parking across residents driveways and loud music from cars waiting outside resident's properties.

Can I politely request where possible that you make alternative arrangements to drop and pick up your child away from the school site in order to avoid congestion.

### Things to celebrate

Year 11 have made an absolutely fantastic start to the year. They're showing real maturity and focus!

Attendance is looking positive for the year group. Attendance for year to date is 93.4%, well above national average.

We currently have 182 pupils with off-site privilege. This is down to pupil's excellent attendance and behaviour.

Iva T and Reem M delivered a fantastic assembly for Black History Month with a focus on 'Saluting our Sisters'. They spoke brilliantly and confidently.

## **Performing Arts**

This year the Performing Arts Team will be putting on the production of "Matilda". This is a story of a brilliant, resilient, creative, and kind girl despite her growing up in difficult circumstances. Her parents treat her poorly, but Matilda escapes into a world of books, which puts her reading level far above the other children in her class, and she develops a bit of magical power in an effort to

defeat Trunchbull.

Just under 200 students turned up for auditions! It was great to see that students from Y7 - Y13 were keen and eager to get involved. The Performing Arts team were impressed with the high standard of dance drama and singing. A lot of talent within the school!

Performance dates will be Wednesday 7<sup>th</sup> and Thursday 8<sup>th</sup> February – please put these dates in your diary it is sure to be an event not to miss!

### Hamilton Trip

Hamilton was a theatrical masterpiece! I had a great time on the trip. First of all, I was amazed at the production's sheer brilliance. I was completely immersed in the world of Alexander Hamilton and the founding of America thanks to the incredibly talented cast and powerful and evocative storytelling. The characters and their struggles were made more relatable by the music, which was a seamless fusion of hip-hop, R&B, rap and conventional musical theatre. The intricate choreography and creative set design also added layers of depth to the performance, keeping me interested and in awe throughout. Furthermore, the narrative's incorporation of historical and political themes added a sophisticated and thought-provoking element that deepened my understanding of the subject.

# Hamilton Trip Cont'd

The diverse cast added to its authenticity and the actors were incredible; they never missed a beat and kept you constantly on the edge of your seat! Complementing the dancing, stage design, and other elements that make up the show, you're left wanting nothing more. A awesome trip!

Lucy and Tanvi (Y9 Music Ambassadors)

### Music Evening

On Monday 16<sup>th</sup> October thirty students from Y8 -13 performed at the annual Music Evening to an audience of over a hundred people. It was a pure delight to see such a high standard of polished solo items. A big congratulations to all of those that participated!

"Music evening was absolutely fantastic! From vocals, to piano, to cello , everyone's performances were amazing. Not only was music evening an opportunity to further develop confidence when performing , it was also wonderful to see all of the musical talent across Swakeleys School for Girls. Moreover, it was extremely rewarding after receiving an applause from the audience for our hard work and dedication. Well done to all involved !" Malika (Y10 Music Ambassador)

### Houses of Parliament Trip

"Our school trip to the Houses of Parliament was a truly remarkable experience. The staff we encountered were not only knowledgeable

but also incredibly encouraging, making the day not just informative, but also a lot of fun. We had the privilege of exploring the historic chambers, which included the amazing House of

Commons and the dignified House of Lords. We were astonished by the ornate decorations, rich history and vivid colours that each had a different meaning. The pinnacle of our trip was the Law and Debate workshop. I was given the unique opportunity to chair a lively discussion, which provided a hands-on experience in understanding the parliamentary process. It was a day that left us not only more informed about our political system but also deeply inspired by the workings of democracy in action, a truly unforgettable experience!"

I recently had the pleasure to visit the remarkable Houses of Parliament in Westminster, London. Stepping into the heart of British politics was a sincerely enlightening experience. Contemplating the magnificence of the architecture and the deep-rooted traditions that permeate the building, was a once in a lifetime experience. The tour around the Houses of Parliament showed a unique blend of the building's rich history, culture, and has allowed me to better understand the political processes of the UK. I personally also really enjoyed partaking in the debates workshop which featured the laws and politics of the UK. The trip was truly amazing and definitely a visit I won't soon forget."

# **Extra Curricular Activities (ECAs)**

Please find attached schedule for ECAs and LRC (library) use for the Autumn Term. This can also be located on the parents section of the website and will be displayed around the school. If no specific year group is listed, then the ECA is open to all, subject to spaces. Students should speak to the member of staff responsible for the ECA to sign up. I hope to see your daughter in attendance at an ECA club!

# Nuffield Research Placement - Celebration Event Imperial College London

Two of our Sixth Form pupils, Khushi and Megan successfully completed their Nuffield Research Placement, and were invited to attend a celebration event on Thursday 12th October at Imperial College The NRP programme provides engaging, London. hands-on research projects, for sixth form pupils, to have the opportunity to make a meaningful contribution towards the work of a host organisation through a well-supervised but independent research collaboration. Both girls spent their summer holiday enhancing their university application and career prospects by attending the Nuffield Research Placement. This was a fantastic opportunity for our pupils to apply their skills and knowledge learned at school and work alongside researchers and industry

professionals. Both of them describe their experiences below.

Through my Nuffield Placement I received the opportunity to partake in cuttingedge research, at UCL, regarding Neonatal Hypoxic Ischemia. Neonatal Hypoxic Ischemia impacts infants and can be the cause of many neurological conditions. Working alongside PhD students I was able to conduct my own research on neonatal mice brain and the white blood cell count in it. Moreover, I made my own academic poster, wrote a report and gained practical lab and research skills, that were invaluable. **KA 13S** 

I was fortunate to be awarded a work placement at Nuffield Research that took place at Brunel University. I researched the depictions of housework on the stay-at-home girlfriend trend, on TikTok, supervised by a PhD student. During this placement, I was taught how to do a deep analysis of qualitative data which I was able to apply to my research, and improve my report etiquette by writing a twelve-page report and poster MK I3H
