- › Make clear to parents/carers and students the attendance and behaviour conditions for receiving the funds

## 2. Guidance

This policy is based on advice from the Education and Skills Funding Agency (ESFA) on the [16 to 19 bursary fund for the 2024 to 2025 academic year](#).

As an Academy this policy also complies with our funding agreement and articles of association.

## 3. Definitions

## 4. Roles and responsibilities

### 4.1 The governing board

The governing board has overall responsibility for approving this 16 to 19 bursary fund policy, but can delegate this to a committee, an individual governor or the head teacher.

The governing board also has overall responsibility for monitoring the implementation of this policy.

### 4.2 The head teacher

The head teacher is responsible for ensuring staff are familiar with this 16 to 19 bursary fund policy, and that it is being applied consistently.

### 4.3 Staff

Our staff are responsible for implementing this 16 to 19 bursary fund policy consistently.

The Leadership Group will provide staff with appropriate training in relation to this policy and its implementation.

### 4.4 Parents/carers

Parents/carers are expected to notify staff or the head teacher of any concerns or queries regarding this 16 to 19 bursary fund policy.

## 5. How we use the bursary fund

Financial support is available to eligible students from the 16 to 19 bursary fund. See section 6 below for details of our eligibility criteria.

The fund is intended to support students' aged 16 to 19 in overcoming specific financial barriers to participation so they can remain in education.

There are 2 types of 16 to 19 bursaries:

- › Bursaries for defined vulnerable groups; and
- › Discretionary bursaries

We use the fund to provide students with support to fund:

- › Transport
- › Equipment / Stationary
- › Field trips and other course-related costs
- › Suitable clothing to meet dress code expectations
- › The costs of attending university interviews and open days.

## 6. Eligibility criteria for the 16 to 19 bursaries

**Please note:** the following eligibility criteria will be assessed **in addition** to the individual student's actual financial needs. No student will automatically be awarded an amount of funding without an assessment of the level of actual financial need they have.

### 6.1 Age

To be eligible for either bursary in the 2024 to 2025 academic year, students must be at least 16 years old but under 19 years old on 31 August 2024.

Students aged 19 or over are eligible only for a discretionary bursary if they:

- › Are continuing on a study programme or course that they began when they were aged 16 to 18-years-old, or
- › Have an education, health and care (EHC) plan

Students aged 19 or over are not eligible for bursaries for defined vulnerable groups.

In exceptional circumstances, where students under 16 years old are on a funded 16 to 19 study programme at our school, we may use our discretion to pay bursaries to these younger students. However, if these students are enrolled at another institution that receives public funding for them, they will not be eligible for bursary funding.

## 6.2 Eligible education provision

Students must be participating in provision that is subject to inspection by a public body that assures quality (e.g. Ofsted). The provision must also fall into 1 of these groups:

- › Be funded directly by the ESFA or by the ESFA via a local authority;
- › Be funded or co-financed by the European Social Fund;
- › Be otherwise publicly funded and lead to a qualification (up to and including level 3) that is accredited by Ofqual or is on the ESFA's list of qualifications approved for funding 14 to 19; or
- › Be a 16 to 19 traineeship programme

Non-employed students aged 16 to 19 who are participating in a Prince's Trust Team Programme are also eligible to receive a bursary in the same way as any other student participating in an eligible, publicly funded course.

Students are not eligible if:

- › They are on an apprenticeship programme; or
- › Are on any waged training

Students who are studying via distance learning are eligible for either 16 to 19 bursary, but are likely to require financial help on a more infrequent basis (e.g. travel to exams). If this is the case, we will provide support in-kind, such as a travel pass, details of which shall be decided on a case-by-case basis.

## 6.3 Residency

Students must meet the residency criteria in the [ESFA funding regulations for post-16 provision](#).

## 6.4 Asylum seekers

Accompanied asylum seekers under 18 with an adult relative or partner, and asylum seekers aged 18 and above are entitled to education but are not entitled to public funds. If necessary, they can apply to the Home Office for suitable housing and cash for essentials.

We will provide in-kind support such as books, equipment and a travel pass to asylum seekers who have not had asylum refused.

Unaccompanied asylum-seeking children:

- › Are the responsibility of the local authority;
- › Are to be treated as 'looked after' children; and
- › Are eligible for a bursary for vulnerable groups, where they have a financial need

When these students reach 18-years-old, we will consider their immigration status. They will still be eligible for a bursary as a student from a defined vulnerable group if the asylum claim is in their favour and will be treated as a 'care leaver' until they reach the upper age limit.

## 6.5 Bursaries for young people in defined vulnerable groups

Students with a financial need, who meet 1 of the following 4 criteria below, in addition to the criteria outlined in sections 6.1, 6.2 and 6.3 above, can apply for a bursary for vulnerable groups.

The defined vulnerable groups are students who are:

- › In care (NB: those who are privately fostered are not classed as looked after);
- › Care leavers;
- › Receiving Income Support (IS) or Universal Credit (UC) because they are financially supporting themselves, or financially supporting themselves and someone who is dependent on them and living with them such as a child or partner; or
- › Receiving Disability Living Allowance (DLA) or Personal Independence Payments (PIPs) in their own right, as well as Employment and Support Allowance (ESA) or UC in their own right

UC has now replaced IS, as well as other benefits above, for current and future young people aged 16 to 18. However, students aged 19 to 25 and funded from the 16 to 19 budget (19+ continuers and students with an EHC plan) may still receive the legacy benefits listed above.

Students who meet the criteria for a bursary for vulnerable groups are not automatically entitled to a bursary. Students will not receive the bursary if they do not have any actual financial need (for example, because their financial needs are met from other sources and/or because they have no relevant costs).

Where a bursary is provided, the funds will generally be up to £1,200 per year for study programmes lasting 30 weeks or more. When calculating the amount, cases will be looked at individually and the outcome based on a particular student's needs. Students will only receive the amount they actually need to participate and will not automatically receive £1,200 if they do not need the full amount.

We can use our discretion, on a case-by-case basis, and provide more than £1,200 per year if such would be necessary in all the circumstances for the student to remain in education. Any such additional payment will be paid either from our discretionary bursary allocation or our own funds.

If a student's study programme lasts for less than 30 weeks, they will be paid a pro-rata amount. We will also consider the number of hours involved in a student's study programme when deciding whether a pro-rata payment is more appropriate.

We will review the student's eligibility position each academic year. Students will only continue to receive a bursary for vulnerable groups if they continue to satisfy the criteria.

We will provide this support for students from the bursary fund by making payments in kind where possible. It will not be provided as regular payments for living costs.

## 6.6 Discretionary bursaries

In addition to the criteria outlined in sections 6.1, 6.2 and 6.3 above, students can apply for a discretionary bursary if they meet the criteria for Free School meals. In the borough of Hillingdon the current criteria is based on if you receive one of the following benefits:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 your household income must be less than £7,400 a year (after tax and not including any benefits you get)

In assessing any application for a discretionary bursary, we will also consider:

- › Distance to travel between the student's home and the institution, or a location for a placement
- › The number of dependent children in the student's household
- › The requirements of their study programme
- › Whether the student has additional responsibilities that may mean they need extra help

There is no set limit for the amount of discretionary bursary that can be awarded to students. We will base all decisions around which students receive a discretionary bursary, and how much bursary they receive, on each student's individual circumstances and their actual financial need.

We will review the student's eligibility position each academic year. Students will only continue to receive a discretionary bursary if they continue to satisfy the criteria.

## 6.7 Evidence

All applications for 16 to 19 bursaries must be supported by appropriate evidence. All bursary applications should provide evidence of the benefit listed above for the current financial year.

## 7. Application and payment process

### 7.1 Applications

Applications should ideally be submitted by Friday September 20<sup>th</sup> to allow enough time for our school to assess the overall level of demand and make discretionary awards on a fair basis. This date will be clearly stated on the application form.

However, we acknowledge that students' circumstances may change and therefore the application process will remain open for the whole school year.

Applicants will be notified in writing (either via email or via letter) whether their application has been successful, together with the amount of funding awarded. If a student wishes to appeal the outcome of their application for a bursary, they must follow the school's complaints procedure.

### 7.2 Payment process

Payments are made using the following process:

- › Termly BACs payment to the student's account. The amount of each payment will be dependent on the expected financial need for that term.

### 7.3 Conditions for the receipt of bursary payments

Payments of the bursary are conditional on students meeting the following conditions in relation to their standards of attendance and behaviour:

- Attendance above 95%
- Less than 4 lates per term
- Majority of effort grades in termly reports being Good or Excellent

All students are required to sign a declaration confirming that they agree to these conditions.

Students who fail to meet these conditions may have their payment withheld, but we will always take students' individual circumstances into consideration. This includes considering the impact on attendance that might be caused by illness, caring responsibilities or other exceptional circumstances.

We will stop payments where students have been absent for a period of 4 continuous weeks or more (excluding holidays) and where students have decided to withdraw from a study programme.

We reserve the right to take back money from students where it is not spent for the reasons it was awarded.

We will consider the impact of such an action on the individual student before taking a final decision to do so, and any decision will be confirmed to the student in writing.

## 8. Change in circumstances

If there are changes in circumstances that may affect eligibility for a bursary, applicants and/or parents/carers must notify the school without delay.

## 9. Record keeping

Any paperwork and documents we retain for audit purposes (for example, copies of application forms, documents as evidence and any agreements signed by students) will be kept securely in line with our data protection policy, privacy notices and record retention schedule. These can be provided to you on request.

## 10. Unspent funds

Funding for discretionary bursary funding cannot be carried forward for more than 1 year. Unspent funding must be reported to the ESFA using the [online enquiry form](#), specifying the amount of funding and the year/s it relates to, no later than 31 March each year. The ESFA will recover all unspent funds.

## 11. Monitoring arrangements

This policy will be reviewed by the Chief Financial Officer annually. At every review, the policy will be approved by the head teacher.
